#### Judges Comments:

Young riesling is never easy to judge because many wines are still coming together. This vintage showed green fruit and dilute wines and some wines forward +/- attenuated. However, the gold medals showed a diversity of styles, freshness, vibrancy and good acid balance - plus fruit weight.

#### Judges Comments:

A mixed class of varieties - always fun to judge. Some wines, however, were forward, flabby and a couple of fermentation issues. Top wines showed freshness, balance, and great to see some alternative varieties in the mix and doing well.

Good fruit definition in the top wines. Tempranillo stands out. Better results would be achieved with less obvious oak, as it dominated the delicate fruit character.
